<b>Equipment Damage Insurance</b>	<b>Acknowledgment of Personal Information, Equipment Instructions &amp; Liability</b>
Customer, by signing your Initiations, you can either ACCEPT at \$2.00 or DECLINE the equipment damage insurance. This applies to equipment breakage. I will not use any of the equipment to be provided to me from this transaction until I have received instruction on its use and I fully understand its function. I agree to verify that the visual indicator settings to be recorded on this form for downhill ski/board equipment agree with the number appearing in the visual indicator windows of the equipment to be listed on this form. I understand this user's responsibility to securely wear the snowboard retention strap at all times; and I agree to verify that the bindings have been mounted and adjusted according to my instructions

**Equipment Rental & Liability Release Agreement**

I accept for use **AS IS** the equipment to be listed on this form, and accept full financial responsibility for the care of the equipment while it's in my possession. I will be responsible for the replacement at full value if any equipment rented under this form is not returned to this shop. I agree to return all equipment by the **due date above**. Late equipment will be charged accordingly.

I understand that the binding system cannot guarantee the user's safety. In downhill skiing, the binding system will not release at all times or under all circumstances where release may prevent injury or death, nor is it possible to predict every situation in which it will release. In snowboarding, ski-boarding, cross-country skiing, snowshoeing and other sports utilizing equipment with non-release bindings, the binding system will not ordinarily release during use, these bindings are not designed to release as a result of forces generated during ordinary operation.

I understand that the sport of skiing, snowboarding, ski-boarding, snowshoeing, and other sports (collectively "Recreational Snow Sports") involve inherent and other risks of **INJURY** and **DEATH**. I voluntarily agree to expressly assume all risks of injury or death that may result from these Recreational Snow Sports, or which relate in any way to the use of this equipment.

I understand that the use of a helmet designed for Recreational Snow Sports use will help reduce the risk of some types of injuries to the user at slower speeds. I recognize that serious injury or death can result from both low and high energy impact, even when a helmet is worn.

I AGREE TO RELEASE AND HOLD HARMLESS (indefinitely) the ski/snowboard shop, its employees, owners, affiliates, agents, officers, directors, and the equipment manufacturers and distributors and their successors in interest (collectively "Providers"), from all liability for injury, death, property loss and damage which results from the equipment user's participation in the Recreational Snow Sports for which the equipment is provided, or which is related in any way to the use of this equipment, including all liability which results from the NEGLIGENCE OF PROVIDERS, or any other person or cause.

I further agree to defend and indemnify Providers for any loss or damage, including any that results from claims or lawsuits for personal injury, death, and property loss or damage related in any way to the use of this equipment.

This agreement is governed by the applicable law of this state or province, if any provision of this agreement is determined to be unenforceable, all other provisions shall be given force and effect. If you managed to read all this we hope you are still planning on enjoying your vacation.

I, the undersigned, have read and understand this equipment rental & liability release agreement	Parent, Guardian, Agent: I verify that I am the parent, guardian, or agent of the equipment user and I have authority to enter into this agreement on behalf of the equipment user and I agree to be bound by the terms and conditions of this agreement.
